

Mahogany Tavern Wall Clock

Sold

REF: 306136

Height: 102 cm (40.2")

Width: 47 cm (18.5")

Depth: 21 cm (8.3")

Description

A solid mahogany English Tavern clock, made at the beginning of the 20th Century, with a period fusee movement. The 18th Century styled case has a shaped and pegged dial with gilt numeral and brass hands and is named Dalsey, Chelsea. It has an 8 day fusee movement which has A shaped plates. This would make an outstanding feature in any room or building at a fraction of the cost of an earlier period example.
